CLUBS

NATIONAL HONOR SOCIETY

The National Honor Society was formed to encourage and to acknowledge students who have shown themselves noble in character, superior in scholarship, effective in leadership, and outstanding in service to the school and to the community.

Students nominate classmates whom they recognize as leaders; faculty members nominate students for service; and the administration determines those whose scholarship is a "B" average or better. Those who qualify in these three areas are then voted upon by the entire faculty for character qualifications.

There are two elections each year. In February, only seniors are eligible, but in May both juniors and seniors are voted upon. Scholarship requirement for juniors is a "B+" average.

New members are announced and inducted at a school assembly during which they take the oath of the society, and receive a membership card and a yellow rose. At the same time, they receive the keystone pin to wear proudly or to keep as a memento. Their parents and friends are invited to this induction service and to the reception which follows in the Homemaking Department.

THE KEY CLUB

The Key Club is a service organization comprised of boys from the sophomore, junior, and senior classes. The aim of the Key Club is to develop in its members initiative, leadership ability, responsibility, and good character. It does this by sponsoring service projects in the school and community. This year's activities included parties for the children at the Dossin Beach Retarded Children's Center, a Christmas basket drive for needy families, supervision of the conference of all Connecticut Key Clubs held at Maloney and the annual all-sports banquet.

To retain membership, the boys must maintain a "C" or better average and conduct themselves honorably.

THE MALONEY CRESCENT CLUB

The newly-organized Crescent Club is comprised of senior and junior girls devoted to serving the school and community. Membership is based on scholarship, character, responsibility, service, and leadership. All members must have a "C" or better average in their studies. This club is not only beneficial to the school and community, but also to the members, because it gives the girls an opportunity to help others and to better themselves while doing so.

Even though the Crescent Club has been in existence for only a short while, the club has successfully completed several projects. Besides ushering at various school activities, the group gave a Christmas and Valentine party for eighty patients at Undercliff, and contributed two hundred dollars to the Band Fund.

CHEERLEADING AT MALONEY

School spirit is an essential part of high school sports. Our very active cheerleaders have done more than their share in contributing an abundance of this school spirit. They followed and cheered for our football and basketball squads, whether the teams played at home or away. For each game, every member of the cheerleading squad also made posters to hang in the halls of the school. We owe much to our cheerleaders.

FOOTBALL

After losing the first two games of the season, the football team proceeded to amass a total of 254 points in the last seven games and go on to tie Conard for the CCIL title. A 32-8 victory over Platt on Thanksgiving Day, five boys named to the all-CCIL team, and an unofficial ranking of 5th in the state, all add up to quite a season and quite a football team.

Bob Chester was awarded the Bernard Sprafke Award on Thanksgiving Day for the second straight time, and Joe Annino received the Terry Wanat Memorial Award, symbolic of the team's most valuable player throughout the entire season.

Seniors on the squad include: Co-Captains Bob Chester and Frank Higgins; Art Rosa; John Billingslea; Ron Wanat; George St. Pierre; Joe Annino; Dave Shiffer; Dale Greenbacker; Tom Vumback; Aldo Scoffone; Walt Cooley; Chuck Newman; Chris Doucette; and George Magrath. Managers included: Dave Cirillo; Pete Wanat; Dick Rhody; John Rhodes; and Ray Pomian.

CROSS COUNTRY

The perennial bridesmaid to football, Maloney's cross country squad, stole the limelight in only its third year of inter-scholastic competition by having an undefeated season. The Spartan runners, who race a distance of more than 2.5 miles during competition, finished the 1961 season with a 13-0-1 record.

Mr. Beall, the team's coach, has great expectations for his squad in '62. Led by Captain Guy Diaz, the entire starting team will return as seniors and juniors for the cross country wars next season.

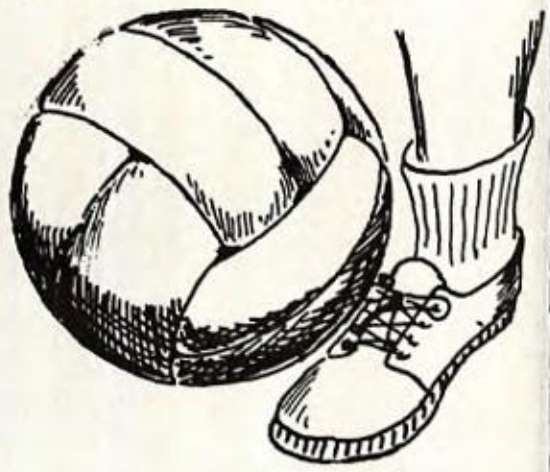
Back row: Hank Bundock, Tom Kotch, Marty Aldridge, Bill Hyatt, Pete O'Loughlin, Joe Martinell, Mike Ryan, and Bruce Valentine.

SOCCER



Although the Spartan record was not up to pre-season expectation, there was one consolation at the end of the season when junior Tom Potter received honorable mention for an all-CCIL team. Co-Captains Pete O'Loughlin and Bill Hyatt, two of the five seniors on the squad well earned their positions, which were assigned by rookie Coach Bob Bergeron.

BASKETBALL

Although hampered by injuries throughout the season, Maloney High's basketball team made their best showing in the school's four year history. After a heart breaking loss to Lyman Hall, the Spartans, led by high-scoring Co-Captains John Billingslea and Joe Annino, caught fire and won successive victories over Hall, Conard, and highly respected Wethersfield. Then injuries took their toll. Injury after injury took key men from the line-up. The season, however, ended on a bright note as Maloney whipped traditional, crosstown rival Platt. Graduating seniors include: John Billingslea, Joe Annino, Tom Hessel, Arnie Andresen, Dave Shiffer, Mike Parmentier, and Bob Chester.

JUNIOR VARSITY and FRESHMAN BASKETBALL

Both the Junior Varsity and Freshman teams provided Maloney fans with a fine example of determination and skill. The JV's, coached by Mr. Ben Nessing, overcame an early season slump to end the campaign with a 10-8 record. The Freshmen, coached by Mr. Vece, also displayed their ability to win games as they compiled a 13-1 record. If the records of both these teams are any indication of the future hoop teams at Maloney, our school's basketball picture should be exceedingly bright in the coming years.

SWIMMING

The swimming team ended a highly successful season with a record of 6 wins and 3 losses, and a 54-33 victory over Platt. Although losing a number of senior standouts, the team, with Coach Roger T. Chaffee at the helm, is optimistically looking for another successful season next year.

High point honors go to Bruce Valentine with 73 points. School records were broken this year by Denny Lutz in the 100-yd. backstroke, Bob Gritz in the individual medley, and Pete O'Loughlin in the 100-yd. butterfly.

Members of the squad include: Co-Captains, Dennis Lutz and Peter O'Loughlin, Bruce Valentine, Bob Gritz, Ward Redmann, Willet Angilleta, George Clark, Richard Benhke, Bill Hesse, Tony Ross, John Pepe, Danny Rodgers, Richard Sartini, Cliff Birdsey, Fred Kopp, Howard Forster, Pete Frazer, Bob Bennet, Don Uliasz, and managers Bill Cahill and Brian Dow.

Fine pitchers, consistent hitters, and an abundance of team spirit provided Maloney fans with another highly successful baseball campaign. Led by Co-Captains Bob Chester and Dick Gumkowski, the Spartans' outstanding 11-3 record not only enabled them to capture the CCIL crown but also win a berth in the state tournament in 1961. With many of the lettermen returning this season, Maloney's highly respected Spartans will begin what, they hope, will be a successful campaign.

TRACK AND FIELD

In the spring, a young man's fancy lightly turns to thoughts of track. That saying seems to voice the opinion of at least 120 boys who will be battling for a coveted berth on the track team this March. Strong in almost every one of the track and field's sixteen events, aided by the talents of Co-Captain Henry Toman in the shot and discus, and Gus DeMauro in the jumps, the Beall-coached team will be out to duplicate the feat of their tall cohorts, the cross country squad, by also compiling a string of victories. With return of eighteen lettermen, the 1962 track season promises to improve on last year's winning record of 8-5-1, which included state championships in the 100-yd. dash and 880-yd. relay.
